

TOUCHSCREEN MULTIMEDIA STATIONS

Our all-inclusive, turn-key solutions are an effective, efficient way to deliver information. From video documentaries and educational interactive games to directories and sales tools, our interactive kiosks deliver virtually any type of media available to the computer screen. The possibilities are endless.

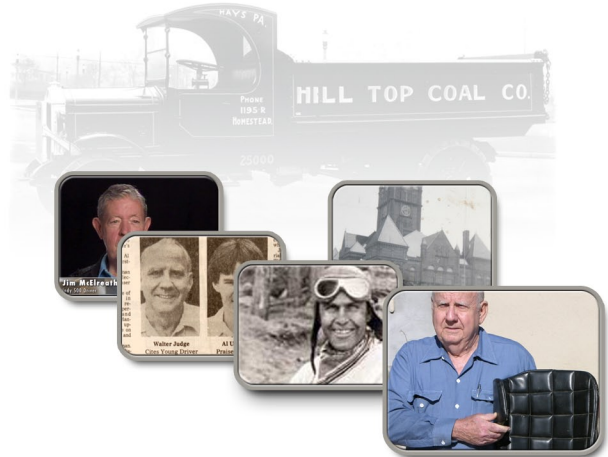

Learning can be Fun

- Educational Games For All Ages
- Video and Animation Compositing
- Custom Cartoon Characters

Custom characters can be used to engage children's imaginations through entertaining programs, while our educational games reinforce the lessons learned.

History Preserved and Shared

- Oral Histories
- Onscreen Artifact Display
- Historic Film Footage
- Historical Reenactment

In today's society so much is forgotten so quickly. This is why we strive to explain and conserve cultural history for educational purposes.

Let's talk about what we can do for you. Contact us for a free consultation or see our samples at www.kamazar.com
